JULY 2, 2007

IN RE: Application of New Dimension) ORDER GRANTING
Communications, Inc. d/b/a Fast Phones for) EXTENSION
Approval to Retain One Part Four (One)
Thousand-Block) in South Carolina.)

This matter comes before the Public Service Commission of South Carolina (the Commission) on the Application of New Dimension Communications, Inc. d/b/a Fast Phones (Fast Phones or the Company) for approval to retain one Part Four (One Thousand Block) in South Carolina.

Subsequent to the filing of the Application, it was determined that the Company proposes to deploy its own switching facilities. However, finalizing the interoffice trunk arrangements between the Company's switch and the incumbent carrier's facilities has delayed the deployment of the assigned numbers. The resolution of the interoffice trunking issues is imminent. In any event, however, ORS supports a ninety (90) day extension of time for the company to deploy the number resources.

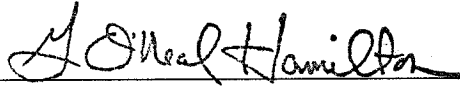

Accordingly, Fast Phones is granted a ninety (90) day extension of time from the date of this Order to deploy the number resources.
